Minor Participant Conduct Agreement

One of our goals at The Enrichment Center @ 2nd Nature Academy and The Painted Turtle Art Studio is to provide all children with a positive enrichment experience. In an effort to attain this goal, an environment of safety and comfort needs to exist. We feel this is an integral part of the learning process in our courses and camps. We want our participants to read the following with their parent, and for the parent to make sure that their child understands what is expected of them.

It is important that both the minor participant and his/her parent/guardian sign the conduct agreement with the intention of following it.

1. All participants need to respect peers, staff, and themselves and be accepting of all individuals.
2. All participants need to respect The Enrichment Center/The Painted Turtle property and their peers' property.
3. All participants need to follow the rules of The Enrichment Center/The Painted Turtle, during camp and class, as well as on out-of-center trips.
4. Profanity, fighting, bullying as well as threatening, exclusionary, harassing, or disruptive behavior of any kind will not be tolerated at the center, on the bus, or on out-of-center trips.
5. Smoking, and/or use or possession of drugs or alcohol at camp or class, on out-of-center trips or on the bus is not permitted.
6. Weapons of any type including-knives, BB guns, firearms and ammunition, sharp sticks, etc. are not permitted.
7. Each participant must be willing and cooperative in daily program planning.
8. Participants are responsible for taking care of their own belongings.
9. Participants are responsible for picking up trash and leaving buildings and property as they found them.
10. Participants are responsible for communicating needs, feelings, fears, etc. with instructors.

When a participant violates one of these rules, and allows others to be denied the full experience of a course, class, or camp the following steps will be taken:

- Step 1: Participant will be given a time-away from the group (take a breather) period.
- Step 2: The Director will give the participant a warning and the parent/guardian will be notified.
- Step 3: If the behavior or attitude has not improved within a time agreed upon the parent/guardian will be notified and will need to make arrangements for the child to leave the class or camp.

✂ Cut here and return the signed slip with the registration packet. Keep the above copy of the agreement for your records. Please submit one slip per participant.

We both have read The Enrichment Center @ 2nd Nature Academy and The Painted Turtle Art Studio Minor Participant Conduct Agreement. We understand it and agree to follow the camp rules as outlined.
