One of our goals at our summer camp programs is to provide all campers with a positive experience. In an effort to attain this goal, an environment of safety and comfort needs to exist. We feel this is an integral part of the learning process in our camps. All camp participants should read the following with their parent/guardian, and each parent/guardian should ensure that their child understands what is expected of them while at camp.

It is important that both the minor participant and his/her parent/guardian sign the conduct agreement with the intention of following it. *This is to give the children a sense of agency and responsibility. For children who cannot yet sign/write their name, this may be skipped.*

1. All campers need to respect other campers, staff, and themselves and be accepting of all individuals.
2. All campers need to respect camp/campus property and other campers' property.
3. All campers need to follow the rules of camp.
4. Profanity, fighting, bullying as well as threatening, exclusionary, harassing, or disruptive behavior of any kind will not be tolerated.
5. Smoking, and/or use or possession of drugs or alcohol at camp is strictly prohibited.
6. Weapons of any type including-knives, BB guns, firearms and ammunition, sharp sticks, etc. are strictly prohibited.
7. Each camper must be willing and cooperative in daily program planning.
8. Campers are responsible for taking care of their own belongings.
9. Campers are responsible for picking up trash and leaving buildings and property as they found them.
10. Campers are responsible for communicating needs, feelings, fears, etc. with instructors.

When a camper violates one of these rules, and allows others to be denied the full experience of camp, the following steps will be taken:

- Step 1: Camper will be given a time-away from the group (take a breather) period.
- Step 2: The Director will give the camper a warning and the parent/guardian will be notified.
- Step 3: If the behavior or attitude has not improved within a time agreed upon the parent/guardian will be notified and will need to make arrangements for the child to leave camp.

✂ Cut here and return the signed slip with the registration packet. Keep the above copy of the agreement for your records. Please submit one slip per participant.

We both have read The Nature of Things Summer Camps Camper Conduct Agreement. We understand it and agree to follow the camp rules as outlined.
